

**WENDY A. LOPEZ, PE, FASCE**  
***Senior Vice President, AECOM***  
***Texas Executive***

Wendy provides Leadership, Strategy and Growth across all Business Lines for AECOM in Texas. AECOM has 1200 staff in Transportation, Water, Buildings+ Places, Program Management/Construction Management and Environment in Texas.

In addition to her work responsibilities at AECOM, Wendy volunteers in areas that are consistent with AECOM's values. She currently serves as a director on the board of the Dallas Regional Chamber, where she leads the Infrastructure Policy Task Force. She also serves on the Boards of Dallas Medical Resources, AT&T Performing Arts Center, the Advisory Board of Texas State Fair and chairs the International Women's Forum Board.

Wendy has been honored locally and nationally for her commitment to entrepreneurialism, math and science education, and community service. She has been a registered professional engineer (PE) since 1984 and was elected to the prestigious American Society of Civil Engineers Grade of Fellow (FASCE) in 2016, a distinction held by fewer than 3.5% of ASCE members.

Wendy received a master's degree in engineering and bachelor's degree in civil engineering from the University of Louisiana at Lafayette. She serves on the ULL Civil Engineering Advisory Board.
